

Hello e-lable Client!

Project: Test for Client Portal.

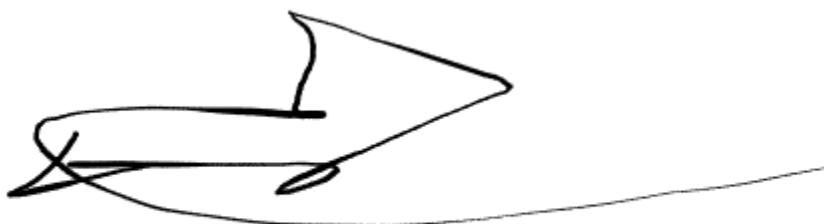

Estimate for your Project: [CP-44] Test - 3a.

Company Seetup >>> Commission Setup - I don't understand the Tiered Commission Split commission plan how it was set up...let go over it pls. Is it based on Commission \$ earned? Or Sales Volume? I forget what we did. Need to review please

Project Management.....123h / \$50

Risks.....15%

Total with Risks.....142h / \$7,073
